Cultural Competence Training

The Davis Group is a Madison, Wisconsin consulting firm that offers a full range of diversity related services from diversity plans to recruiting and retention strategies, to diversity training sessions. We are proud to be the exclusive diversity services provider for the Madison Region Economic Partnership (MadREP).

Starting in August of 2015, we will be offering local businesses and organizations the opportunity for their employees and leadership to attend **cultural competence training** that is positive, interactive, and focused on solutions. The program is called **The View from THEIR**, and exposes participants to the perspectives of those from other backgrounds and teaches them how to incorporate their knowledge and experience into their interaction with others in the workplace and every other aspect of daily life.

We will offer two four-hour training sessions each month in the Madison area. The first sessions will be offered on August 5 and August 7, from 8:30-12:30. Each session is limited to 30 participants, and the cost will be **\$85/person**. Companies who mention MadREP at registration will receive a discounted price of **\$75/person**. A company may send as few or as many participants as they choose.

If you have questions, or to register for either session, please contact Stan Davis at:
