

Madison Region and Driftless Region Study Area

- Madison Region
- Driftless Region
- Limited Access Highway
- Major Highway
- Urban Area*

Area of Interest

*An urban area comprises a densely settled core of census tracts and/or census blocks that meet minimum population density requirements, along with adjacent territory containing non-residential urban land uses and territory with low population density included to link outlying densely settled territory with the densely settled core. To qualify as an urban area, the territory identified according to criteria must encompass at least 2,500 people, at least 1,500 of which reside outside institutional group quarters
